About Railway Age's 2023 Women in Rail Awards Program

The honorable mention in Railway Age's Women in Rail is a testament to Katie's leadership, vision and commitment to reshaping the landscape of transportation safety and compliance technology."

*Holly Rainwater, Vice President of Spark TS*

Railway Age recognizes women who not only excel at leadership but also serve the community and drive industry change, paving the way for the next generation of railroaders. Established in 2017, the annual awards are presented to railway industry women in the United States, Canada and/or Mexico for their outstanding leadership, vision, innovation, community service involvement, and accomplishments. In an industry typically dominated by men, their professionalism and hard work set an example for many in the freight, passenger, government and supply sectors.
