BEBEJAN BLUSH FLOWERS 100% COTTON 5-PIECE REVERSIBLE COMFORTER SET

“One of the benefits of choosing products by Bebejan is that they’re made from 100 percent cotton and built to last. With an affordable price tag, Bebejan products look great and won’t break the bank.”

Unlike other bedding brands, Bebejan earns points for being both durable and environmentally friendly. Each Bebejan comforter collection comes complete with a sustainable fabric bonus bag, perfect for stowing linens when they aren’t in use. Additionally, Bebejan bedding and accessories are packed using sustainable materials. The result is that shoppers can feel good about what they’re buying and the effect their purchasing power has on the environment.

Another reason customers appreciate Bebejan comforter sets is that they're machine washable. While other bedding products are made from delicate materials that require dry cleaning or special care, Bebejan's natural cotton collections can go straight into the washer and dryer. Choosing cotton bedding is also desirable for customers who suffer from allergies or sensitive skin.

"Along with being natural and sustainable, Bebejan comforter sets showcase the latest colors and prints in an array of sizes," said Turab Hassan. "Our goal is to ensure there's something in our collection perfect for every member of the family."

A popular new design for autumn and beyond, the Bebejan Natural Leaves

Another great sustainable set from Bebejan, the Garden Bouquet is a reminder that spring is just around the corner. Crafted from 100 percent cotton sateen, this

reversible piece is alive with pretty pink peonies, hydrangeas, and roses set against an ivory backdrop on the front. On the other hand, the backside features a calming tonal print with a linen texture. Customers can opt to change sides periodically or fold the back down for added interest. Along with a cozy comforter, buyers receive two matching pillow shams, an 18-inch by 18-inch pillow with an embroidered leaf pattern, a 12-inch by 18-inch pillow with stylish pleating, and a sustainable fabric bonus bag. The collection is available in sizes queen and king, and the pieces are machine washable for added convenience.
