

Rachel Jones Arizona Freedom Caucus Member endorsed by VFAF Veterans for Trump

Veterans for America First AKA Veterans for Trump has endorsed Arizona Freedom Caucus member Rachel Jones AZ-17 announced Stan Fitzgerald president

TUCSON, ARIZONA, USA, November 20, 2023 /EINPresswire.com/ -- From the press room of L-Strategies - The official press of VFAF [Veterans for Trump](#) grassroots national

Rachel Jones has been an active citizen of Arizona for 17 years. Rachel is a mother of five kids, three of whom were the blessing of adoption. Rachel's faith is her prime motivator in all that she does for her family... and her state. Rachel received her degree in Business Management and spent her career as a business executive at the 3rd largest UPS facility in the country. Her time in

business formed a strong, calculated, and passionate leader, who now hopes to continue utilizing her experience to identify problems, execute solutions, and deliver results in the State House in Phoenix. Having children refined Rachel's beliefs on the importance of the family in communities.

Rachel decided to put her business life aside, and focus on her family, and the families of all Arizonans. This led her to become a teacher, fostering the next generation of Americans. But her business background could not be hidden, so she eventually became the Director of the preschool. As a mother of five, former teacher, and former business executive, Rachel knew that she could no longer sit on the sidelines. That is why she has been a local leader on pro-life, Medical Freedom, and the border crisis. Rachel is an Authentic Conservative Fighter and she will not stop until Arizona's values are restored.
