

Southern Careers Institute's Austin Main Campus Spreading Holiday Cheer with Annual Holiday Tree and Gift Giveaway

AUSTIN, TX, UNITED STATES, November 20, 2023 /EINPresswire.com/ -- Southern Careers Institute's (SCI) Austin Main Campus is getting into the holiday spirit this season with its annual Holiday Tree and Gift Giveaway. SCI created this event to give back to the community during the holidays.

Students, faculty, and staff across all SCI locations, including the vocational training school's home office, will spend the month decorating 17 trees in total. The decorated trees, along with gifts donated by employees and students, will be delivered to local families in need this holiday season.

"We believe in the power of community and giving back. This event not only brings joy to our students, faculty, and staff, but it allows us to spread warmth and happiness to local families who might not otherwise be able to celebrate the holidays the way they would like to," said Nikki England, President of SCI. "It's a beautiful testament to the generosity and compassion that defines the SCI family."

On December 4th and 5th, students and staff will deliver the fully decked out trees and wrapped presents to two deserving Austin families.
