Commercial Cleaning Company located in Chicago, IL

"Our new Center enables us to offer enhanced education to all of our staff– a particularly valuable offering for our current and future clients in this post-pandemic environment.

“

One of our key pillars here at Bee Line Support is holding an extremely high regard for training our team”

*Jamie Henry, Beeline Support  
CEO*

Infectious outbreaks have the potential to shut down healthcare facilities or practices, leading to catastrophic consequences for their business. We're committed to ensuring this never happens." says Jamie Henry, CEO

The new OR Cleaning Training Center is the first of its kind in the commercial [cleaning services](#) industry. Featuring exact replicas of an exam room, lavatory, and operating room from Illinois' most prominent medical system. The center facilitates regular trainings on infection prevention,

deep cleaning, and disinfection techniques, ensuring employees are always prepared to deliver the highest standards of cleanliness and safety to Bee Line's hospital, healthcare, and surgery center clients.

In addition to operating room cleaning and other medical cleaning services, Bee Line Support

also offers a wide range of [janitorial services](#) appropriate for schools, banks, offices, and corporate facilities, warehouse, distribution and cold storage facilities, and labs and cleanrooms, including deep cleaning, high-touch point disinfecting porters, and coronavirus disinfection misting.
