*Announces Upgrade to Vstock Transfer, LLC as New Transfer Agent*

PHOENIX, ARIZONA, UNITED STATES, January 2, 2024

/EINPresswire.com/ -- ("Quantum" or "FLCX") [OTC:FLCX], a worldwide exclusive licensee and manufacturer of transformative Direct [Energy](#) Systems for the direct generation and distribution of electrical energy, owned by and for use of the consumer, today announced it has announced a significant upgrade in its transfer agency services. The Company has transitioned from its former transfer agent, Olde Monmouth Stock Transfer Co. Inc., to the highly reputable and SEC-registered Vstock Transfer, LLC, based in the heart of activity in Long Island, New York.

This strategic move to Vstock Transfer, LLC aligns FLCX with a transfer agent known for its exceptional efficiency and effectiveness. Vstock Transfer is renowned for servicing a diverse range of clients, including private companies, IPOs, and issuers listed on NYSE American, NASDAQ, CBOE, and OTC Markets.

Vstock Transfer stands out in the industry, not just for its comprehensive service offerings but also for its unique management team. Owned and operated by a cadre of experienced attorneys and industry professionals, Vstock Transfer brings an unparalleled level of expertise to the table. Their team has extensive experience in advising innovative companies on a wide array of financial and regulatory matters, including initial public offerings, follow-on public offerings, private placements, proxy solicitations, reverse mergers, and stock transfers. Their particular focus on pre-IPO, Nasdaq, CBOE, and NYSE MKT listed issuers makes them an ideal partner for FLCX as we continue to grow and explore new market opportunities.

"We are thrilled to embark on this new partnership with Vstock Transfer, LLC," said Dennis M. Danzik, President and Executive Chairman "This change is a testament to our commitment to providing our shareholders with the highest standard of service. We are confident that this transition will not only enhance our operational efficiencies but also support our strategic objectives as we move forward."
