This holiday season, Cannababe and Leaf and Bud are thrilled to announce their partnership in hosting a charitable toy drive aimed at bringing joy and cheer to underprivileged children in the Detroit community. With a heartfelt mission to spread holiday happiness, the two esteemed cannabis companies have set a commendable goal of donating over \$20,000 worth of toys to children in need.

The collaborative effort seeks to support and uplift the youngest members of the Detroit community by providing them with toys and gifts that will make their holiday season brighter. The generous donations received during this drive will be distributed to The United Way and Big Family of Michigan, two reputable organizations dedicated to enhancing the lives of children and families facing adversity.

"We are excited for Cannababe to team up with Leaf and Bud for this meaningful initiative that aims to bring smiles to the faces of children in our community," said Jenna Kaltenberg, representing Cannababe.

Those who donate at Leaf and Bud will be eligible for 10 percent off all in store purchases. The toy drive will run from November 20 to December 15, ensuring ample time for the community to join hands in making a difference. Those who donate will be entered to win tickets to a private Cannababe event on November 30, 2023. This event, Crystal Clouds Toy Drive, will take place in downtown Detroit. This event will feature live performances by DJ Killa Squid and DJ Godfather.
