# C3 Solutions Named to Prestigious 2024 FreightTech 100 Award List

C3 Solutions announces its nomination in the FreightTech 100 list for 2024. This significant recognition places them among the top echelons of innovation.

MONTREAL, QUEBEC, CANADA, November 21, 2023 / EINPresswire.com/ -- C3 Solutions has been transforming the logistics landscape with its comprehensive suite of tools designed for effective yard management. Their cloud-based platform, C3 Yard, streamlines operations 24/7 by offering unparalleled visibility of yard assets and shipments, increasing gate throughput, and enhancing the productivity of yard drivers and dock

C3 solutions software

workers. This sophisticated system also aids in reducing dock congestion, optimizing door utilization, and cutting detention costs.

A key innovation by C3 Solutions is C3 Hive, an online platform enabling real-time updates and communication with drivers at C3 managed facilities. This platform facilitates driver self check-in and delivers essential on-site instructions, ensuring seamless operational flow.

Moreover, C3 Solutions is constantly improving its cutting edge solution C3 Reservations, an online dock scheduling system, and multiple options for efficient dock door management, significantly boosting productivity and improving trailer flow. C3 Reservations maximizes operational efficiency and can easily integrate with other systems such as WMS, TMS, or ERP, demonstrating its versatility and scalability.

The [FreightTech 100](link) list, now in its sixth year, is a testament to technological innovation and disruption in the freight sector. Compiled by a panel of journalists, analysts, and experts, the list represents the most groundbreaking companies selected from over 250 candidates and nearly

900 nominations.

C3 Solutions' inclusion in the
FreightTech 100 list is not just an honor
but a recognition of its commitment to
revolutionizing the logistics industry
through cutting-edge technology and
customer-centric solutions.
