In commemoration of the 75th anniversary of the Berlin Airlift, it thrills us to announce the release of a unique bilingual coloring book titled 'Wings of Freedom-The Story of the Berlin Airlift | Flügel der Freiheit-Die Geschichte der Berliner Luftbrücke.' We have designed the coloring book to be both educational and engaging. Suitable for all ages, it presents the story of the Berlin Airlift in text and coloring images, with text in English and German.

This explainer coloring book is an innovative and engaging way to learn about this pivotal chapter in world history.

"In a time when we are divided over many issues, I feel a strong desire to share the story of the Berlin Airlift because I feel we can learn so much from it," says LeBlanc.

"As I reflect on this pivotal chapter in world history, I aim to share this story of unity and resilience, a story of enemies becoming friends, a story that shows that, sometimes against all odds, every one of us can make a difference in shaping the world in which we live," adds the creator.

"Without the efforts and contributions of the men and women of the 1948-1949 Berlin Airlift, the course of history would have taken a vastly different direction. In these pages, I wish to illustrate their extraordinary accomplishments!" expresses the creator.
