EINPresswire.com/ -- As Giving Tuesday approaches on November 28, 2023, Feeding Pets of the Homeless asks everyone to help the pets and their humans experiencing homelessness thrive with a donation to Feeding Pets.

Feeding Pets of the Homeless is the first national non-profit organization dedicated to helping those in our society who are experiencing homelessness care for their constant companions through difficult times.

According to Frederick, Feeding Pets of the Homeless receives no government support and relies on individual donations and grants to fund its mission.

“Without individual donors who reach into their heart to help save the pets of those experiencing homelessness, we would not exist and pets would suffer,” she added.

Giving Tuesday was created in 2012 as a simple idea: a dedicated day that encourages people to do good. Since then, it has grown into a year-round global movement that

inspires hundreds of millions of people to give, collaborate and celebrate generosity. In 2022, more than 35 million people donated over \$3 billion to a variety of causes.

Individuals and organizations may donate by visiting PetsoftheHomeless.org or emailing info@petsofthehomeless.org.
