

SCAN Adds TECQ Foundation/Van Lang IPA to Texas Provider Network

LONG BEACH, CA, UNITED STATES, November 22, 2023 / EINPresswire.com/ -- [SCAN Health Plan](#), one of the nation's largest not-for-profit Medicare Advantage health plans, has added [TECQ Foundation/Van Lang IPA](#), a physician led provider multilingual medical group, to its provider network* in Harris County, Texas, effective January 1, 2024.

"We are very excited to partner with TECQ Foundation/Van Lang to provide our members in Harris County access to a network of physicians and specialists who can address their unique needs," said Wendy Zhao, SCAN's general manager of Texas, Arizona, and Nevada. "TECQ Foundation/Van Lang's commitment to delivering personalized care parallels SCAN's mission to keep seniors healthy and independent."

"At TECQ Foundation/Van Lang IPA, we align with experienced, passionate professionals who understand healthcare to enhance our medical provider's day to day workflow. We succeed because we understand population health, value-based contracting, technology, and we understand the multiple competing priorities from all parties involved in the healthcare delivery process. "We are proud to be affiliated with SCAN Health Plan who shares our focus on member centric care" said Dac Vu, MD, CEO.

Current SCAN members and those eligible for Medicare who choose SCAN Health Plan in Harris County, Texas will have additional access to more primary care physicians and specialists through TECQ Foundation/Van Lang IPA's network.

People can sign up with SCAN Health Plan for 2024 during the Medicare Annual Election Period, which runs through December 7, 2023.

*Other providers are available in SCAN Health Plan's network.
