

Davidek Law Firm Announce Award Winning Lawyer Amanda Batsche Joining The Firm

New Braunfels, Texas – Davidek Law Firm is proud to announce that Amanda Batsche, who has won several notable awards during her legal career, such as San Antonio's 'Peer Nominated Best Estate Planning Lawyers 2020' and 'A Thompson Reuters Super Lawyers Rising Star 2021, 2022 and 2023' in Estate Planning, will be joining the law firm as an Of-Counsel Attorney.

Amanda Batsche completed her undergraduate degree at Texas A&M University, College Station, and went on to complete her law degree at St. Mary's University School of Law. While at St. Mary's, she received a Dean's Scholarship and was inducted into Phi Delta Phi Legal Honors Fraternity. She also participated on the external advocacy mock trial team and advanced to the semi-finals in the Wayne and Maxine Scott Negotiation Competition. Upon graduation, she was awarded a Pro Bono Legal Services Award.

Throughout her legal career, Amanda has been on a mission to empower families by educating parents and guardians on how to protect their families, the importance of estate planning documents, and designating guardians for children. She excels in guiding her clients through the overwhelming labyrinth of financial and legal decisions to create the essential documents that take care of their families. Her previous experience in litigating probate and guardianship cases has given Amanda the perspective and shown her many pitfalls in the implementation of an otherwise well-drafted plan. Amanda has experience advising individuals in various stages and places in life, planning for young professionals, individuals with special needs, blended families, newlyweds, and retirees.

Davidek Law Firm is excited to have Amanda join its team as a davidek law firm estate planning attorney and continue to help provide families with unique estate plans that meet their specific needs and protect their family's future.
