

Villa Rica, GA Expands GovPilot Partnership With New Government Management Software In 2023

The GA City expands their partnership with the government management software provider to streamline operations and government services in the municipality.

VILLA RICA, GA, UNITED STATES,
November 22, 2023 /

EINPresswire.com/ -- Customer Since
2023 with 10 Total Modules Deployed

The City of Villa Rica, GA has implemented additional government management software solutions into their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Carroll and Douglas Counties, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solutions efficiently and successfully for Villa Rica.

Among the software solutions previously deployed by Villa Rica are the most recent 2023 additions which include:

Plan Reviews Module
Historic Preservation Commission Module
Alcohol License Module
Sign Permit Module
Zoning Permit Module
Accessory Structures Module

All additional software solutions deployed by Villa Rica in 2023 will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling to city hall in person.

GovPilot By the Numbers for 2023;
Total Modules Deployed Across all Accounts Nationwide: 317
Median Deployment Days: 44
