Tesoro Club's Championship Golf Course

"We are really excited to show everyone our beautiful property," said Tim Jones, Managing Partner for Tesoro Club. Complimentary transportation will provide guided tours of the community, giving visitors the opportunity to visit the club's popular amenities, including the Swim & Racquet Club and the Golf Clubhouse. The Swim & Racquet Club features a junior heated Olympic, zero-edge swimming pool, nine Har-Tru tennis courts, eleven pickleball courts (some with lights), two bocce courts, a tennis pro shop, and the Cabanas Grill. The Landmark Clubhouse houses the Fitness Center and spa services, and the Golf Clubhouse features the Terrace Grill with Chef Guy Rettig, and the golf

pro shop, where members can shop for the latest golf gear.

Visitors will see the newly renovated Arnold Palmer-designed championship golf course that gracefully winds its way through the community. This 7,333-yard, par-72 course reopened in November 2022 and has received acclaim from national publications including Links Magazine, GolfPass, and The Palm Beach Post.

Attendees will also get the chance to tour the new single-family homes currently under construction within the community. Guests will tour homes by Toll Brothers which is building 54 one- and two-story homes ranging from 2,500 to over 3,500 square feet, and three model homes presented by WCI Communities by Lennar with floorplans offering generous living spaces spanning from 2,100 to over 3,100 square feet.

Visitors are also invited throughout the day to stop in to Terrace Grill and Cabanas Grill to enjoy light bites and libations curated by Tesoro Club's Executive Chef Guy Rettig. With a 25-year career in leading culinary teams at platinum-rated golf and yacht communities nationwide, and Napa valley's renown French Laundry, Rettig creates the menus for Tesoro Club's two dining venues.

Attendees will also have the opportunity to meet the builders behind the recently introduced Signature Homes Collection. Ecclestone Signature Homes, GHO Homes, and Janssen Custom Homes built along prime golf, wooded preserves, and lakefront homesites. The builders will be constructing cottage homes to estate-sized residences from 2,000 to over 7,500 square feet that match the homeowner's vision. Each company will have representatives on-site during the event to answer questions homeowners might have about the newly announced program.
