"The polarized political positions in our nation have become dangerous in many ways," Thompson said. "As a

Moderate Republican, I want everyone to use Common Sense with Common Civility to find Common Ground to solve our Common Issues.

"With all that is going on today in this world, there is much disenchantment, disappointment, frustration, and fear with many Democrat and Republican voters. As a new Moderate Republican, I offer a fresh option to the Republican and long-standing Democratic voters.

"I have been a 'Representative' of Hollywood Talent for over 50 years," said Thompson. "As their lawyer or personal manager, I have spent a career listening, caring, nurturing, planning, marketing, negotiating, and enhancing their personas and lives. I now want to be a 'Representative' of the people in our California 32nd District to do those things for them even more profoundly, give them a voice, and empower their lives."

Thompson is running to offer a fresh beginning for the California Republican. Thompson, acclaimed Hollywood talent manager and veteran film producer, lawyer, book packager, author, Broadway Producer, and motivational speaker, is the founder and President of the Larry A.
