Dr. Dorothy Pei, Cardiologist at Modern Heart and Vascular Institute

Dr. Pei graduated from Bowdoin College in Maine. She received her M.D. from Tulane School of Medicine in New Orleans, LA. She completed her Internal Medicine internship and residency at Baylor College of Medicine. Afterward, she completed her Cardiology fellowship at UT Houston, where she subsequently completed an additional fellowship in Advanced Echocardiography.

“

Every heart has a story,
what's yours?"

*Dr. Rajiv Agarwal, Cardiologist
at Modern Heart and Vascular
Institute*

Dr. Pei is passionate about cardiology and interested in women's cardiology, preventative cardiology, heart failure, valvular heart disease, and cardiac

imaging. Given her training in advanced echocardiography, she is an expert in evaluating structural heart disease, complex valvular heart disease, and prosthetic valve pathology.

Dr. Pei prioritizes her patients above anything else. She believes in taking the time to listen to her patients and to discuss the treatment plan together so there is complete understanding. Her treatment decisions are based on guideline-directed therapy and individualized patient care.

Dr. Pei enjoys spending time with her husband and two energetic cats. She is an avid baker, cyclist, and foodie who loves exploring Houston's diverse food scene.

Modern Heart and Vascular Institute assists with various heart and vascular symptoms and issues such as chest pain, high cholesterol, congestive heart failure, peripheral arterial disease (PAD), arrhythmia, coronary artery disease, high blood pressure, and much more.
