work in, and we believe that these new additions will contribute greatly to the economic growth of the area. We could not be more pleased with this exciting news and are eager to see the positive impact it will have on our neighborhood.

The first lease will be a 1,800-square-foot chicken and shake restaurant, currently undergoing construction and set to open its doors before the end of 2023. The second lease is for a quick-service restaurant boasting a substantial 3,000 square feet, and construction is already underway, with an expected opening date of March 2024. Food enthusiasts and fans of new dining experiences alike can look forward to these two exciting ventures, each offering its unique take on premium fast food dining.

[According to Ali Ata](#), this expansion provides a thriving center for the area, where residents can enjoy a variety of culinary options conveniently. This new development has been met with great enthusiasm from the surrounding community, as it not only satisfies the demand for local dining options but also represents significant economic growth.

Below, Ali Ata shares some of the pictures of the property where both restaurants will open.
