

# Pharmsville's Probiotic Breakthrough Garneres Global Recognition, Paving the Way for International Expansion

*Pharmsville introduces Wilac D001: First FDA NDI-listed strain, prioritizing safety, no side effects, and focusing on weight management and obesity prevention*

ANAHEIM, CALIFORNIA, CALIFORNIA,  
November 23, 2023 /

EINPresswire.com/ -- [Pharmsville](#) Co., Ltd. ("Pharmsville" or "the Company")the pioneering biohealth company, captivated the spotlight at the 21st World Korean Business Convention held from October 11-14, 2023, in Anaheim, California., USA, seeking promising collaborations with potential customers, distributors, and B2B partners, while also eyeing exciting ventures with healthcare providers and obesity clinics.

The event served as a gathering ground for 29 promising Hi-Seoul Companies, sponsored by the [Seoul Metropolitan Government](#) in collaboration with with the [Seoul Business Agency](#).

In a remarkable display of innovation, Pharmsville's convention presence was strategically oriented toward identifying potential customers, securing distributors, fostering B2B collaborations, and establishing partnerships with healthcare providers and obesity clinics.

At the core of Pharmsville's ambitious market entry strategy lies a dedication to delivering innovative products. A standout offering in their portfolio is the FDA NDI- listed strain, Wilac D001, extracted from dandelion Kimchi.

With global expansion in their sights, Pharmsville is meticulously preparing for launch on e-commerce platforms like Amazon and Shopify. Hospitals and healthcare institutions are their primary targets as distributors, reflecting their unwavering commitment to consumers' health and well-being.

Pharmsville's core message, echoing throughout the convention, revolved around the safety of their products, meticulously crafted to be free from side effects. Their steadfast focus on weight management and obesity prevention underscores their dedication to ensuring customer well-being.

The driving force behind Pharmsville's aspirations is the goal of leaving an indelible mark on the global health and wellness market. They brought with them a suite of unique in-house products designed to offer personalized solutions tailored to individual needs.

This approach extends to the adaptation of marketing strategies to cater to specific regions, ensuring the capture of new growth opportunities.

Pharmsville's team of experts, bolstered by an array of innovative products, is primed to expand their footprint both domestically and globally. They aim to lead the charge in transforming the health and wellness landscape, with a strong focus on the health and happiness of their customer base.

One of Pharmsville's marquee offerings, the Wilac D001 probiotics, stands as a testament to their commitment to product excellence. Derived from extensive dandelion-based research, these probiotics are set to be introduced to a global audience, contributing to the well-being of consumers around the world.

Pharmsville's CEO, Mr. Lee Byeongwook, expressed, "Pharmsville is dedicated to innovating and creating personalized health functional foods to enhance well-being. Our unwavering commitment to research and development continually improves product quality and services." He also emphasized the active recruitment of specialized international talent to establish direct
