

HSO Canada Transfers Microsoft Dynamics 365 GP and Business Central Practice and Client Base to Endeavour Solutions

TORONTO, CANADA, November 24, 2023 /EINPresswire.com/ -- HSO Canada and Endeavour Solutions Inc. are pleased to announce that they have reached an agreement to transfer HSO Canada's Microsoft Dynamics GP and Dynamics 365 Business Central consulting practice and client base to Endeavour Solutions. The transfer includes clients using Microsoft Dynamics GP or Dynamics 365 Business Central and consultants supporting these clients.

"We want to thank our many long-standing and recent clients for their trust and partnership and our employees as we believe they will be in good hands with Endeavour who is well suited to support the Microsoft GP and Dynamics 365 Business Central practice. This agreement will help HSO remain focused on our enterprise ERP customers in our Dynamics 365 Finance and Operations and Syspro practices." Jeffrey Hunt, ERP Director, HSO Canada.

"This addition of clients and consulting resources from a customer-centric firm like HSO helps to further strengthen the scale, technical depth, and geographic reach that Endeavour can extend to its clients across Canada and the United States." Madhu Vajpey, CEO, Endeavour Solutions.

"We are pleased to have a great team that is able to serve our on-premise legacy Dynamics GP

and NAV users, as well as help these same clients move to the cloud with Microsoft Business Central when they are ready.” Terry Sunderland, President & COO, Endeavour Solutions.
