The platform's seamless onboarding processes make it easy for entrepreneurs to transition into the telehealth industry without disruption, and a team of experienced healthcare professionals guarantees the highest standards of care and service

delivery.

“Our track record of happy customers is of paramount importance for new client acquisition, namely for the new entrepreneurs who join our network,” Impact Health USA’s Founder added. The business model ensures consistent revenue streams through recurring patient consultations, offering long-term financial stability.

Impact Health USA specializes in fully managing telehealth clinics across the United States, allowing entrepreneurs to focus on growing their healthcare business. The company handles all aspects of healthcare and [medical staffing](#), ensuring a hands-off approach for business owners who can confidently navigate the evolving healthcare landscape.

#### About Impact Health USA

Impact Health USA is a telehealth company operational in more than 35 states, offering a turnkey solution for entrepreneurs and business owners looking to establish and grow their healthcare business. With a focus on comprehensive healthcare solutions and a hands-off approach to operations, Impact Health USA is at the forefront of healthcare innovation and business scalability.

#### About Joshua Thompson

Joshua Thompson, Founder and CEO of Impact Health USA, transformed a challenging upbringing into a testament of resilience and innovation. Raised in a low-income household, he dropped out of high school to support his family, gaining a masterclass in resilience while working at his grandfather's furniture store. Joshua's entrepreneurial journey began with a small moving company, evolving unexpectedly into a medical marijuana doctor's office. The bold step led to significant business growth. In 2020, amid the pandemic, Joshua pivoted to Telehealth, offering mental health, hormone therapy, and weight loss treatment. Impact Health USA now stands as a realization of his vision for accessible healthcare.
