EINPresswire.com/ -- The Color Codes Foundation, a non-profit organization committed to aiding marginalized communities, is proud to announce the launch of its new initiative, the "Delicates & Denim Drive." This charitable endeavor is designed to support women at the S.T.R.I.V.E. Re-entry Center, who are transitioning back into the workforce after incarceration.

The "Delicates & Denim Drive" focuses on collecting essential clothing items like undergarments and denim jeans in addition to professional clothing and work attire, which are often overlooked yet crucial for women seeking employment. These items will provide these courageous women the confidence and dignity they need to attend job interviews and integrate into professional settings.

The Color Codes Foundation recognizes the unique challenges faced by women re-entering society after incarceration.
