

THE BROKEN WHISTLE: A DEEP STATE RUN AMOK - MEMOIR OF A CIA WHISTLEBLOWER

A THRILLING EXPOSE UNVEILING A DEEP STATE BENT ON DESTROYING DISSENT TO PRESERVE ITS POWER.

TULSA, OKLAHOMA, USA, November 30, 2023 /EINPresswire.com/ -- Central Intelligence Agency, veteran and author Pedro Israel Orta, shines a light on the corrupt Intelligence Community whistleblower processes in his book "The Broken Whistle: A Deep State Run Amok." Orta meticulously recounts the rampant abuse of power by the U.S. National Security Bureaucratic State, also known as the Deep State—a corrupt world hidden from prying eyes and shielded by Congress's deafening silence and inaction to hold it accountable.

The Broken Whistle reveals the brazen perversion and weaponization of the whistleblower processes to target a sitting president. Orta lays bare his harrowing journey, navigating the treacherous corridors of the Central Intelligence Agency, where truth becomes an enemy, and those who dare to speak truth to power face ruthless retribution and termination. As Orta's unwavering voice rises above the cacophony of corruption, readers are led on an odyssey that unveils a bureaucratic machine determined to protect its shadowy secrets by destroying dissent.

Prepare to be captivated by Orta's unflinching courage as he peels back the layers of deception, exposing a broken whistleblower system that has forsaken its sacred duty.

“Now here I was, post-Snowden, relying on a system

President Obama, Congress, and IC leaders had touted as successful and functional. But was it

truly working? My case exposed it as nothing more than a sham. Would the CIA and the IC attempt to rectify the situation? Did they genuinely desire to fix the broken system? Or would they persist in employing their illegal bullying tactics to silence whistleblowers? I was determined to take action, offering them an opportunity to correct their behavior.” —From *The Broken Whistle*
