

# AnneCorp Literary Works Introduces Kobe's Story-Time Plush-Tales

*The toy impacts various segments of society, including children of deployed parents, children in extended hospital stays, Alzheimer's care centers, and more.*

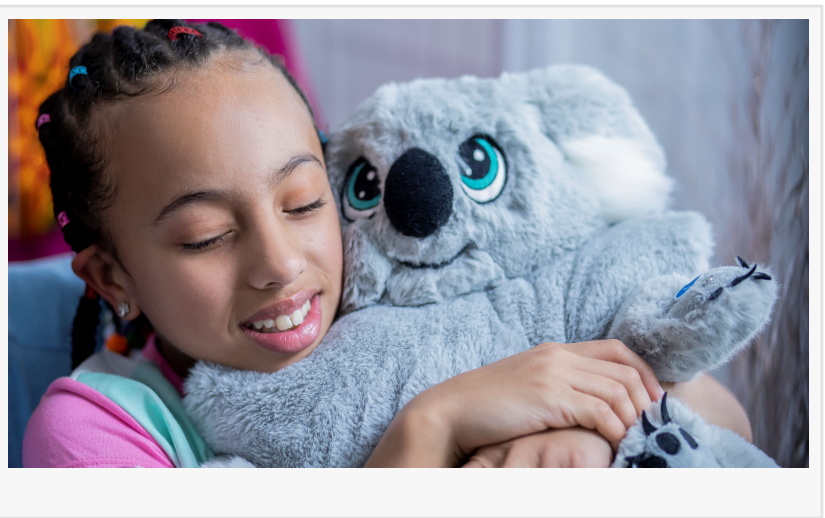

MCDONOUGH, GEORGIA, UNITED STATES, November 27, 2023 /EINPresswire.com/ -- Today, [AnneCorp Literary Works](#) is thrilled to announce the launch of its innovative comfort toy, Kobe's Story-Time Plush-Tales, a koala bear [plush toy](#) that promises to bring comfort, learning, and imagination to children and families around the globe.

According to AnneCorp Literary Works, plush toys have long been cherished companions for children, offering a unique blend of comfort and learning opportunities. In a world increasingly dominated by electronic devices and games, plush toys, coupled with children's books, play a vital role in nurturing young minds. These cuddly companions aid in infant development, offering emotional security, while the interactive books, played through the plush toy, encourage children to unleash their creativity and embark on imaginative journeys.

This is what helps to make Kobe's Story-Time Plush-Tales different than any other plush toy; it is an interactive companion for

children and a comfort to families, especially those facing long separations. Designed with a patent-pending electronic module, Kobe can hold and play messages and stories, becoming a personal keepsake that offers emotional security and a sense of connection.

"Kobe's Story-Time Plush-Tales embodies our mission to inspire, comfort, and educate," says Annette Bentley-Smith, CEO of AnneCorp Literary Works.

"It's a plush toy that doubles as a storyteller and a source of solace, with its potential going well beyond a typical stuffed animal. Kobe has a profound impact on various segments of society, including children of deployed parents, those facing long separations, children in extended hospital stays, daycare facilities, schools, and Alzheimer's care centers."

At its very core, Kobe's Story-Time Plush-Tales provides a host of features and benefits for both children and families, including:

- Emotional Support: Kobe provides a comforting presence to help reduce stress and promote better sleep.
- Family Connection: With the ability to play downloaded voice messages, Kobe helps maintain the bond between children and distant loved ones.
- Educational Entertainment: The plush toy includes five original stories that foster creativity and imagination.
- Tailored Design: Kobe is uniquely crafted to be ultra-plush, doubling as a pillow for comfort.

What truly sets Kobe's Story-Time Plush-Tales apart, however, is its exclusive electronic module and multifaceted design, allowing extensive customization and interaction - providing a unique storytelling experience that goes beyond the capabilities of ordinary plush toys.

"Furthermore, Kobe's plushness is truly unmatched," Annette states. "In contrast to one of his competitors, whose plush toy also boasts downloadable capabilities, Kobe's body is uniquely designed to provide the ultimate in comfort and coziness. Shaped like a pillow, Kobe's form is tailor-made to encourage peaceful sleep and endless cuddling, making him an exceptional companion for children and adults alike."

Kobe's Story-Time Plush-Tales is now available for purchase on the AnneCorp Literary Works website at [www.mrsanniebooks.com](http://www.mrsanniebooks.com).

About AnneCorp Literary Works

Founded in response to a simple yet profound family need, AnneCorp Literary Works has been dedicated to creating wellness and comfort plush toys since 2005. The company's origin—a granddaughter's wish to hear bedtime stories—has blossomed into a business that bridges families and ignites the imaginations of children through a variety of plush toys and story-time innovations.

#### About Annette Bentley-Smith

CEO of AnneCorp Literary Works, Annette Bentley-Smith, is dedicated to inspiring children through stories and products that nurture creativity, strengthen family bonds, and elevate imagination. Her commitment to wellness and comfort plush toys is at the heart of every creation, aimed at making a difference in the lives of families. She's a native known for inventing plush toys and story-time bed sheets and is a passionate children's book author, specializing in fiction and realistic stories for kids aged 6-12.
