

DASVERSE Inc. Establishes Joint Venture with Singapore's RHT AIDigi Financial Holdings

Strategic Partnership to Build Global Web3 Platform with Art and Fashion IP

SINGAPORE, November 27, 2023 /EINPresswire.com/ -- [DASVERSE](#) Inc., a leading digital art platform company, has announced a strategic joint venture with Singapore's [RHT AIDigi Financial Holdings](#), a prominent financial services provider. This partnership is a significant step forward in accelerating innovation, development, and adoption of Web3 technologies.

The joint venture establishment ceremony took place on November 22 at RHT AIDigi Financial Holdings' headquarters in Singapore. In attendance were Jayaprakash Jagateesan, Executive Director and Group CEO, AIDigi Group; Seck Hwee Lee, CFO, 1MetaWorld; and Peter Park, CSO, DASVERSE. James Hong was appointed the CEO of the newly formed entity, DAS Universe.

Through this collaboration, the two companies aim to establish an integrated online and offline platform leveraging art and fashion IP content, targeting the global market with a focus on the Web3 ecosystem centered in Singapore. By combining DASVERSE's content IP, metaverse construction, and blockchain technology with RHT AIDigi Financial Holding's financial and investment expertise, DAS Universe will offer various digital financial services, including art and fashion content IP-based STO products and digital asset AI trading solutions.

Tan Chong Huat, Non-Executive Chairman of DAS Universe, remarked "We are excited to be partnering DASVERSE Inc. This joint venture will bring together our complementary strengths and expertise to create an innovative platform that will benefit our customers and the industry. This partnership is a testament to our commitment to innovation. I am incredibly excited to see

what we can accomplish together and look forward to witnessing how this collaboration will shape the future of our industry."

"By merging the strengths of two companies leading the Web3 content and finance domains in Korea and Singapore, respectively, we have laid the foundation for global innovation," stated James Hong, CEO of DAS Universe. "Korea and Singapore are cultural powerhouses at the forefront of global trends in art and fashion. Together with our extensive network of artists, designers, and global partners, we will establish a new digital economic ecosystem driven by Web3 innovation centered on digital lifestyles. Our vision is to evolve into a trusted global Web3 platform."
