

Europe Faces Rising Demand for Helicopter Pilots in Private Sectors

LONDON, MAYFAIR, UNITED KINGDOM,
November 27, 2023 /

EINPresswire.com/ -- In response to the soaring demand for helicopter pilots across various industries, particularly tourism, emergency services, firefighting, and medical services (EMS), Sertan Ayçiçek, Group President of [IKAR Holdings](#), highlights the pressing need for skilled professionals in the European helicopter industry.

"As the helicopter industry in Europe experiences significant growth, the demand for trained pilots has reached unprecedented levels," said Sertan Ayçiçek. Exploring the core of this surge in demand, it's clear that commercial industries like tourism significantly contribute to this trend.

In recent decades, helicopters have become increasingly popular among tourists seeking breathtaking aerial views and easy access to remote destinations. This shift has subsequently escalated the need for more trained helicopter pilots.
