

Former U-Haul General Counsel Launches Dispute Resolution Firm

Laurence DeRespino Shifts Focus into Arbitration and Mediation Services

PHOENIX, AZ, UNITED STATES, November 28, 2023 /EINPresswire.com/ -- After a prestigious career navigating complex and challenging legal landscapes, Laurence DeRespino announced the launch of DeRespino Dispute Resolution, offering specialized mediation and arbitration services.

"I've evaluated, managed, and resolved high stakes and complex litigation my entire career," said DeRespino. "I'm channeling that depth of experience into mediation and arbitration, striving to strip down legal complexity to achieve fair outcomes for parties while at the same time obtaining finality and known resolutions."

This new trajectory in DeRespino's career allows him to use his unique experience as an outside trial lawyer, lead in-house corporate lawyer, top-tier business executive, and settlement judge to help corporate, commercial, and individual parties navigate the legal process through a myriad of substantive legal disciplines. His diverse background includes tenure as a trial lawyer with Streich Lang kna Quarles & Brady, Director of Litigation and later General Counsel and Chief Legal Officer at U-Haul, and as Judge Pro Tem of the Maricopa County Superior Court.

Parties don't need to look any further than DeRespino's track record to understand his commitment to dispute resolution, managing business risks, and minimizing the economic, emotional and psychological impacts of litigation. He cultivated foundational trial skills, shaped U-Haul's national litigation strategy and approach, and conducted approximately 175 settlement conferences as Judge Pro Tem.

His areas of dispute and litigation expertise include complex commercial and business,

employment, product liability, wrongful death and catastrophic injury, securities fraud, intellectual property, real estate, data breach and cybersecurity, insurance coverage, and more.

In addition, his expertise has made him a valuable arbitrator, having represented parties and serving on panels across the nation as well as developing arbitration programs for businesses, including U-Haul's arbitration system for handling all employment and consumer disputes.

DeRespino Dispute Resolution is an invaluable resource for those seeking a creative and reasoned approach to resolving or adjudicating the complexities of legal disputes.
