Mistletoe” by Dianña made a big splash in its first week of release this year to Adult Contemporary and Country radio. It is also available on all major streaming platforms per her label Billeegee Productions. It combines a timeless melody with a familiar theme of how much we miss our distant loved ones at Christmas, but with a special twist. The song is accompanied by an award-winning official music video on [YouTube](#).

Dianña's vocals are reminiscent of Karen Carpenter, “Several years ago I did a tribute show as Karen Carpenter in Las Vegas. I studied Karen's unique vocal stylings so especially when I sing holiday songs it naturally comes out.”, said Dianña.

“Missing You Underneath the Mistletoe” was produced by Grammy nominated producer/mixer Mark Needham (Imagine Dragons, Dolly Parton, Chris Isaak), and recorded in the studios of Kent Wells Productions in Nashville under the direction of Grammy nominated producer Kent Wells (Dolly Parton), who also makes a cameo vocal appearance in the song.

‘Dianña also has a second song rocking the charts right now. “You Don't Know Me”, released in mid-October, has been steadily rising and just cracked the Top 100 on the Music Row Country charts.
