

Scale Your Business Using Accurate Market Data From The Global Market Model

The Global Market Model, flagship product of The Business Research Company: Prime intel for 27 industries in 58 geographies, a comprehensive research platform

LONDON, GREATER LONDON, UK,
November 28, 2023 /

EINPresswire.com/ -- The [Global Market Model](#) stands as a premier market intelligence platform catering to the needs of corporations, consultancies, and various entities. This comprehensive database encompasses:

- 1,500,000 datasets: Offering detailed insights into industry market size in terms of both value and volume. The datasets cover consumption, production, imports, exports, company information, and industry-wise market shares. The tool includes analytics features facilitating the development of custom datasets based on industry-specific macro indicators.
- 7000+ global markets: Providing accurate information across diverse segments within various industries. Each industry is meticulously categorized into 3-5 levels in the taxonomy.
- 2500+ comprehensive market reports: A collection of extensive global market reports and opportunities & strategies reports. These reports furnish in-depth details on market size, segmentation, drivers, trends, restraints, competitive landscapes, regional market share, major mergers and acquisitions, and recommendations for industry players to maintain relevance.
- In-depth insights for 27 industries: Covering a wide array of industries such as Medical Equipment, Aerospace and Defense, Agriculture, Veterinary Healthcare, and more.
- Covering 7 regions and 60 geographies: The platform provides data across 60 geographies within 7 regions, including Asia-Pacific, North America, Western Europe, Eastern Europe, South America, Middle East, and Africa. Data is available for historic, current, and forecast periods.
