

PICOOC Launches New Portable and Powerful Percussion Massage Gun

Power and Portability Combined: The Solution for On-the-Go Muscle Relaxation

FREMONT, CALIFORNIA, UNITED STATES, November 29, 2023

/EINPresswire.com/ -- In today's fast-paced world, individuals often experience the consequences of busy lifestyles, including muscle tension, soreness, and fatigue. Addressing these issues, [PICOOC](#), a leading technology brand specializing in home and personal health, is proud to introduce its latest product, the [PICOOC K1 Massage Gun](#). This cutting-edge and portable device made its debut at the 2023 GITEX GLOBAL event in Dubai, offering powerful and targeted percussive therapy that allows you to experience relaxation wherever you are.

Designed with portability in mind, the [K1 Massage Gun](#) weighs less than 500 grams, making it remarkably compact and lightweight. Its user-friendly design and small size allow users to easily carry it in their backpacks or gym bags, ensuring relief is always within reach, whether on the go or during daily routines.

Despite its compact form, the K1 Massage Gun delivers exceptional performance. With an impressive 11-millimeter amplitude, it stands out among other portable massage guns on the market. This feature enables the K1 to reach deep into your muscles, targeting areas of soreness, stimulating blood circulation, and promoting enhanced relaxation. Say goodbye to

Travel-sized device with full-sized performance, PICOOC K1 Massage Gun is designed to deliver powerful and targeted percussive therapy.

To meet diverse massage needs, the K1 Massage Gun comes with four interchangeable attachments

post-workout lactic acid buildup with this powerful device.

The K1 Massage Gun excels in percussion intensity, rivaling even full-size massage guns. With a maximum stall force of 30 pounds, it provides robust strokes that outperform other portable massage guns. Its powerful motor ensures effective massage therapy for deep muscles, while the ergonomic 105-degree handle design minimizes recoil, catering to the needs of frequent exercisers and athletes.

Featuring three-speed levels ranging from 2000 to 3200 RPM, the K1 Massage Gun offers versatility akin to full-sized massage guns. Its brushless motor operates quietly below 55 decibels, guaranteeing a comfortable massage experience even in relatively quiet environments. Additionally, the K1 Massage Gun incorporates convenient USB Type-C charging, allowing for hassle-free recharging on the go.

To cater to diverse massage needs, the K1 Massage Gun is equipped with four interchangeable attachments:

Flat Head: Suitable for overall muscle massage.

Bullet Head: Designed for precise use on hands, feet, and joints.

Round Head: Ideal for general muscle massage, with a gentler impact on sensitive and sore areas.

Crescent Head: Specifically designed for treating the spine and neck.

Lion Shen, CEO of PICOOC, emphasized the company's commitment to enhancing a healthy lifestyle, stating, 'At PICOOC, we continuously strive to deliver innovative solutions that meet the diverse relaxation needs of our customers. The PICOOC K1 Portable Massage Gun is a compact yet powerful device designed to alleviate muscle tension, reduce fatigue, and rejuvenate your body—whether you're at the gym, working in the office, or constantly on the move.'
