

BOARD CHAIR MÔNICA DOMINICIS ORCIOLI IS THE FIRST PERSON IN BRAZIL AWARDED THE CERTIFICATE IN CYBER RISK GOVERNANCESM

GLOBAL, ORGANIZATION, November 30, 2023 /EINPresswire.com/ -- The

DCRO Institute, the world's leading source of risk governance training and credentials for board members and C-suite executives, announced today the award of the prestigious [Certificate in Cyber Risk Governance](#)SM to Mônica Dominicis Orcioli. She is the first person in Brazil to earn this global credential.

“

Mônica brings key insights, a commitment to learning, and a highly collaborative approach to her work, all of which are essential to successful board service.”

*David R. Koenig, QRD®,
President and CEO of The
DCRO Institute*

Mônica is the chair of the board of directors at University Anhembi Morumbi and University São Judas at Ânima Educação in São Paulo, Brazil. She is a member of the consultative board for AACD - Associação de Assistência à Criança Deficiente. Prior to this, she served as the chief executive officer and dean at University Anhembi Morumbi, the managing director LATAM for Swarovski, and the country manager Brazil for both Missoni S.p.a. and Natuzzi. Mônica is a graduate of the Harvard Business School Women on Boards program and serves as a

member of the LATAM and Retail/Consumer/Hospitality committees of WomenExecs on Boards. She is a graduate of the DCRO Institute guided study cohort in the Certificate in Cyber Risk GovernanceSM course.

"It's been a great pleasure to work with Mônica throughout our guided study cohort," said David R. Koenig, QRD®, President and Chief Executive Officer of the DCRO Institute. "She brings key insights, a commitment to learning, and a highly collaborative approach to her work, all of which are essential to successful board service."

The Certificate in Cyber Risk GovernanceSM is awarded to those who have completed an [extensive education program](#) led by a global suite of board members, leading C-suite technology executives, law enforcement, and intelligence experts, all with deep knowledge of technology and cyber. Candidate knowledge is validated by evaluation across all subjects covered.

“Cyber risk and risk governance credentials are so important for new and experienced board members,” said Ms. Orcioli. “Governance priorities are changing so fast, and it is more important than ever that board members support CEOs, c-level executives, and their teams to address, with confidence, these goals. Board members also need to focus on lifelong learning,” she continued.

The fundamental Duty of Care for directors around risk is to ensure that our organizations take risks well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty.
