BUILDING WEALTH

Shifting Your Mindset from Practitioner to Owner-Investor

Building Wealth Event December 2023

The BUILDING WEALTH Event dives deep into critical wealth-building strategies, including:

- Key investor mindset attributes to adopt to maximize financial opportunities.
- Identifying and rectifying common financial oversights that could cost owners dearly.
- Blueprinting assets that create multiple income streams for robust future financial health.
- Mastering control of income and expenses in the practice by applying two fundamental rules.
- Six measurable results you should expect to achieve when working with a competent trusted financial advisor.

"This power-packed virtual live event is a concentrated effort to transform how practice owners view their business as an investor and shift the trajectory of future financial success," said a representative from Econologics Financial Advisors. "We're not just discussing financial management in the practice; we're revealing the path to personal financial freedom utilizing the practice."

Practice owners are encouraged to seize this opportunity to re-engineer their financial future by reserving a spot at this exclusive event happening on Tuesday evening at 7:00pm EST, December 12th, 2023.

Registration is now open, but limited. To secure your registration and for more details, visit <https://hubs.li/Q029DW6C0>
