"We look forward to rounding out the 2023 tournament season with a phenomenal event and one of our most prestigious amateur competitions, the Diamond Amateur Championship presented by Fortune Tires," said Mike Nealy, USA Pickleball's Chief Executive Officer. "The inaugural edition of this event was a triumph and welcomed such a variety of players in their teens to their 80s, from all across America. We similarly look forward to seeing our community, volunteers, and referees return to Florida to finish the year strong."

Gold medalists from the Diamond Amateur Championship will earn pre-registration (Golden Tickets) to the 2024 Biofreeze USA Pickleball National Championships. More details regarding the 2024 National Championship event will be released in future months.

“With last year’s event being such a success, we are delighted to welcome our players from all around the country back to Pictona’s facilities,” said Rainer and Julie Martens, Pictona Directors. “The Diamond Amateur Championship welcomes some of the best amateur players in the nation to compete over a week-long event and we couldn’t be happier to host this tournament once more.”

All events, including singles, will offer a pool-play format. If there are not enough teams for pool play, then a round-robin bracket will be played. The 2023 Diamond Amateur Championship competition schedule is as follows:
