

# EIONO SHIPPING SUPPLIES: A CANADIAN-BASED SUCCESS STORY IN AMAZON CANADA'S TOP SELLERS

*The company's product, the Fanfold 4" x 6" Direct Thermal Shipping Labels, has emerged as a customer favourite*

PORT COQUITLAM, BC, CANADA,  
November 30, 2023 /

EINPresswire.com/ -- EIONO, a prominent player in the shipping supplies industry, has achieved a significant milestone by securing a spot amongst the top sellers on Amazon Canada. The company's product, the Fanfold 4" x 6" Direct Thermal Shipping Labels, has emerged as a customer favourite, thanks to its superior quality and innovative features.

EIONO's shipping supplies are designed to meet the diverse needs of businesses and individuals, offering convenience and efficiency.

EIONO® Fanfold 4" x 6" Direct Thermal Labels 6 Stacks set

About this item:

[EIONO Fanfold Shipping Labels come in a standard size of 4" X 6"](#) (101.6mm X 152.4mm), offering from one stack (500 labels total) to a bundle of 12 stacks (6000 fanfold labels). This size is the industry standard, making the labels suitable for the majority of platforms such as Amazon, eBay, Shopify, FedEx, UPS, USPS, PayPal, and more.

Premium Quality:

Renowned for their premium quality, EIONO shipping labels are crafted from the highest-grade materials. This ensures the production of crystal-clear images and easy-to-scan barcodes. The labels exhibit resistance to smudges and scratches, guaranteeing that every print maintains its clarity and professionalism.

### 100% Compatible:

EIONO Shipping Labels are designed to be 100% compatible with almost all thermal label printers, including Zebra, Rollo, Munbyn, Fargo, Elton, Datamax, Sato, among others (except DYMO; please visit [www.eiono.com](http://www.eiono.com) for [DYMO compatible labeling solutions](#)).

### Ultra-Strong Adhesive:

One of the standout features of EIONO Shipping Labels is their ultra-strong adhesive. This super permanent adhesive ensures a secure attachment to almost any box or mailer, including corrugated boxes and envelopes. The labels provide a reliable solution for the diverse packaging needs of businesses and individuals.

### Versatile Uses:

These perforated mail labels are not limited to shipping giants like UPS, FedEx, DHL, and USPS. They also serve as the ideal solution for personalized labels, barcode labels, Amazon shipping labels, eBay shipping labels, and more. EIONO Shipping Labels embody versatility, meeting the evolving needs of the e-commerce landscape.

What sets EIONO apart is its commitment to quality. EIONO takes pride in being a homegrown brand that delivers excellence. The products are crafted with precision, utilizing the latest technology and adhering to the highest industry standards. This dedication to superior quality has undoubtedly contributed to EIONO's ascent to the top of Amazon Canada's best sellers list.

"We are thrilled to see our shipping supplies resonating so well with the Canadian market," said Alex Razvodov, the CEO at EIONO. "Our commitment to providing top-notch products that are not only effective but also easy to use has been well-received by customers. Being among the top sellers on Amazon Canada is a testament to the hard work and dedication of our team."

In addition to their exceptional products, EIONO takes pride in being a Canadian-based company. The decision to operate locally reinforces their commitment to supporting the Canadian economy. Customers can trust that when they choose EIONO, they are not only getting high-quality shipping supplies but also contributing to the growth of Canadian businesses.

EIONO® - Fanfold 4" x 6" Direct Thermal Labels 1 Stack

Eiono Industries Corp. Logo
