

CryptoCFOs Expands Globally with Harris & Trotter Partnership: Bridging US-UK Digital Asset Expertise

This pivotal partnership marks CryptoCFOs' first international step in connecting tax and accounting leaders from the US and UK in the digital asset realm.

BOSTON, MASSACHUSETTS, UNITED STATES, November 30, 2023

/EINPresswire.com/ -- [CryptoCFOs](#), the premier digital community for tax and accounting professionals in Web3, is excited to announce a strategic partnership with [Harris & Trotter LLP](#), a

UK-based accounting firm with over 80 years of professional practice. This partnership signifies a major leap in CryptoCFOs' efforts to foster a global network of digital asset expertise.

“

As our first firm partner, Harris & Trotter's expertise will be invaluable in enriching our community's international Web3 journey.”

*Taylor Zork, CEO of
CryptoCFOs*

Harris & Trotter's digital asset team, led by Nicholas Newman, Gidon Ross, James Newman, and Richard Lance, has been pioneering in blockchain, Web3, and digital assets since 2017. Their extensive knowledge in audit, advisory, bookkeeping, compliance, and taxation within the digital asset realm makes them an invaluable partner for the CryptoCFOs community and its members.

[Taylor Zork](#), CPA, CEO of CryptoCFOs, shares his perspective: "Our partnership with Harris & Trotter is a

pivotal development for CryptoCFOs. It aligns with our mission to connect and educate accounting professionals globally in the evolving world of crypto assets."

The collaboration is designed to be mutually beneficial. The Harris & Trotter team will gain full access to the extensive resources of the CryptoCFOs platform, including educational materials, courses, accelerators, and live community calls. Furthermore, they will also benefit from access

to CryptoCFOs' job board, facilitating international recruitment efforts of top-tier tax and accounting professionals. In return, Harris & Trotter will offer their unique insights and experiences, acting as trusted thought leaders and specialists within the CryptoCFOs community.

Richard Lance of Harris & Trotter speaks about the partnership: "We're thrilled to align with CryptoCFOs. This partnership goes beyond growth—it's about influencing the future of digital assets through shared knowledge and collaboration on a global level."

Members of CryptoCFOs can look forward to a variety of collaborative efforts, including co-hosted webinars, shared educational content, and exclusive insights into the United Kingdom's digital asset landscape. The partnership serves as a gateway to a global network of digital asset expertise, bridging the gap between US and UK markets."
