Rat Pack takes the stage with holiday classics and popular tunes honoring Frank Sinatra, Dean Martin and Sammy Davis Jr.

The Swing Tones debuted at Summer Swing Nights in 2018 at the Automobile Driving Museum in El Segundo with a mission to preserve the legacies of big band and swing music while contemporizing the experience with some modern twists. Highlighting vocal harmonic sounds such as "The Andrews Sisters" and "The Manhattan Transfer," The Swing Tones also take modern

tunes and “swingify” them, like the popular Postmodern Jukebox.
