

CloudWave Inc. Wins AmeriCorps Contract for Data Management and Training Services

TYSONS, VIRGINIA, UNITED STATES, November 30, 2023 /EINPresswire.com/ -- CloudWave Inc. announced today that it has been awarded a 2-year \$4.6 million contract with AmeriCorps. The program will support AmeriCorps' Chief Data Office (CDO) and the Chief Modernization Office (CMO) with critical technical resource needs in data management and training.

“

We are pleased and honored to be awarded this opportunity to support AmeriCorps in continuing to modernize their data management and internal processes.”

*Prabhakar Ramakrishnan,
CloudWave Inc. President and
Founder*

The AmeriCorps data management initiative is designed to modernize the data quality, accessibility, and usability of AmeriCorps data assets by improving its data infrastructure, ensuring data accuracy, availability, and security to support better decision-making and business operations. The modernization/multimedia training development initiative aims to create high-quality web-based training materials to educate and empower AmeriCorps' internal and external target audiences.

Under the contract, CloudWave Inc. will provide the structural data architecture, common data elements

(CDE), master data management, quality measures for enterprise data standards and develop user centric training web based modules for wider user adoption of AmeriCorps modern systems.

“We are pleased and honored to be awarded this opportunity to support AmeriCorps in continuing to modernize their data management and internal processes,” said Prabhakar Ramakrishnan, CloudWave Inc. President and Founder.

Founded in 2012, CloudWave Inc. is a Small Business Information Technology Consulting firm headquartered in Tysons, VA that provides end to end services from architecture to development, offering digital transformation solutions in niche cutting edge cloud technologies and data modernization.
