NASHVILLE, TN, USA, November 30, 2023 /EINPresswire.com/ -- Legendary pop star and 80's icon TIFFANY is releasing her new Christmas single, "Angels All Around." TIFFANY co-wrote "Angels All Around" (Deko Entertainment/ADA/Warner) with Mark Alberici (who also produced) and Margie Hauser, a fellow Nashville songwriter who along with her husband, Mark Hauser, produced the hit Broadway musical Spider-Man: Turn Off the Dark (featuring the music of U2). "Angels All Around" will be heard on national and international radio this season.

"'Angels All Around' is a song that is inspired by fans who reached out to me during covid, who were feeling lost and alone," says TIFFANY. "I wrote this song to connect to them and to hopefully inspire them during the holiday season and beyond. I believe there are angels all around guiding us and looking over us, especially through the bad times and things we don't understand."
