With Art Basel Miami just around the corner, RealNifty and Surfergirl Gallery has announced an exhibit of female Spanish artists titled, 'Marina'.

MIAMI, FL, UNITED STATES, December 1, 2023 /EINPresswire.com/ -- RealNifty, a phygital fine art platform, is pleased to announce its collaboration with Surfergirl Gallery and the Spanish Consulate for an art exhibition in downtown Miami during Art Basel Miami. Titled 'Marina', a stellar lineup of female Spanish artists exploring an aquatic theme will showcase their art work.

The exhibition will take place for a full week in the lobby of the JP Morgan Wealth Management building at 1450 Brickell Avenue from December 5

through December 10, and will be celebrated during a cocktail event on the eve of December 5. Tickets to the cocktail event have sold out.

'Marina' brings together a group of exceptionally talented women artists of Spanish descent. Inspired by the mesmerizing beauty, enigmatic chaos and ironic serenity of the ocean, the exhibition presents a collection that offers a unique perspective through a resolute feminine lens fixed upon the sea's essence.

The theme of the exhibition, particularly relevant to the vibrant culture and backdrop of Miami, features prominent artists such as Angela Gómez Durán, Irene Marzo, Erika Ehrman, Constanza Laguna, Marcia Lorente Howell, and Justine Miller, showcasing a fresh and innovative take on art in Miami.
