-- NetCom Learning Partners with AI
Certs™ to Pioneer AI and Blockchain
Skilling Revolution

Empowering Professionals for the
Future: A Synergistic Partnership
between NetCom Learning and AI Certs™ Redefines AI and Blockchain Upskilling

New York, December 01, 2023 - NetCom Learning, a renowned global provider of IT and business training solutions, proudly announces a groundbreaking partnership with AI Certs™, a leading AI and Blockchain certification vendor – as their premier AI Certs™ Authorized Training Partner (ATP). This collaboration is set to not only reshape the AI skilling landscape but also establish AI Certs™ role-based certifications as the go-to resource for professionals seeking to upskill and forge a career in AI. They will be offering a range of cutting-edge courses and certifications to empower professionals in the rapidly evolving fields of artificial intelligence and blockchain.

Since its inception in 1998, NetCom Learning has been at the forefront of delivering top-notch training solutions to over 80% of Fortune 1000 companies. It has assisted more than 40,000 organizations globally in achieving their objectives. With a vast network of 1,300+ locations across the globe, NetCom Learning has solidified its reputation as a trusted partner for IT and business training. Their strategic alliances with industry giants such as Microsoft, AWS, Cisco, EC-Council, CompTIA, and more exemplify their commitment to delivering quality education.

As NetCom Learning embarks on an innovative partnership with AI Certs™, professionals now have a compelling reason to elevate their expertise in artificial intelligence (AI) and blockchain. The collaboration introduces a suite of industry-driven certifications, all meticulously designed to meet industry demands and delivered by certified trainers, ensuring learners are equipped with

the latest knowledge and practical skills. The AI+ Professional™, AI+ Technical™, Blockchain+ Professional™, and Blockchain+ Technical™ products, along with certifications like [AI+ Executive™](#), Bitcoin+ Executive™, [AI+ Developer™](#), and Bitcoin+ Developer™, emerge as the fundamental stepping stones for professionals aspiring to delve into the dynamic field of artificial intelligence. As confirmed by the AI Certs team, their portfolio will expand drastically in the coming weeks, and professionals will have a vast range of AI and blockchain courses to match their current domain.

Russell Sarder, CEO of NetCom Learning, expressed his enthusiasm about the partnership, stating, "We are thrilled to be the first to join forces with AI Certs™ as AI continues to be at the forefront of technological innovation. This collaboration signifies a pivotal moment in the AI skilling landscape. By offering AI Certs' foundational courses, we aim to equip professionals with the essential skills needed to thrive in the burgeoning field of artificial intelligence. It marks a significant milestone, and we are eager to see the transformative impact it will have on the careers of our learners."

Speaking about the partnership, Scott Pettit, VP of Products and Partnership of AI Certs™, remarked, "Our collaboration with NetCom Learning represents a significant leap forward in providing accessible and comprehensive AI education. Their commitment to keeping professionals updated on the latest aligns seamlessly with our mission. We are enthusiastic about the potential it unlocks for professionals to build a solid foundation in AI. This partnership is a testament to our shared commitment to shaping the future of AI education."

The partnership between NetCom Learning and AI Certs™ is a significant milestone in the realm of AI skilling. This collaboration aims to equip professionals with the knowledge and expertise required to successfully navigate the complexities of artificial intelligence and blockchain technologies. As the demand for skilled professionals in these domains continues to grow, this partnership positions NetCom Learning and AI Certs as the go-to providers for cutting-edge education in AI and blockchain.

About AI Certs™

AI Certs™ is at the forefront of AI and Blockchain certification, with an audacious mission to certify one billion individuals globally.
