/EINPresswire.com/ -- Embark on a deeply moving journey as "[In The Name of LIBERTY AND DEMOCRACY](#)" by R. Lee Mahee graces the pages of The New York Times Book Review on December 3, 2023. This powerful memoir chronicles the remarkable odyssey of a U.S. Army veteran who, four decades after the Vietnam War, found himself teaching in the very heart of Hanoi.

R. Lee Mahee, a former senior manager at two Fortune 500 companies and a Bronze Star medal recipient for his meritorious service in Pleiku, Vietnam, shares a unique chapter of his life. As a full-time faculty member at a historically black university, he accepted an offer to teach an MBA course in Hanoi. Stepping onto Vietnamese soil, he grappled with memories of his time with the 20th Combat Engineers and the final days in Pleiku, supporting an Army of the Republic of Vietnam unit.

More than recounting experiences, "In The Name of LIBERTY" is a poignant reflection on meeting the sons and daughters of former adversaries in Hanoi. Mahee delves into the complexities of being a black man in Vietnam, juxtaposed with the ongoing struggle for civil rights at home.

Readers will be captivated by Mahee's unique perspective, blending personal reflections with historical insights. His narrative weaves through the tapestry of war, race, and personal growth, offering a profound exploration of liberty and democracy.
