PawCare eliminates the need for costly SaaS products by giving free access to its platform. Pet groomers can use the platform's user-friendly interface to manage grooming appointments, including scheduling, rescheduling, and cancellations.

Payment Directly to Bank or Preferred Method

PawCare allows free direct payment to the pet groomer's bank account or any other desired payment option without the need to pay payment processing fees.

Guaranteed No-Show and Cancellation Fee with a 98% Show Rate

PawCare will compensate for missed or last-minute canceled appointments, ensuring a hassle-free grooming experience.

Customer Success Manager

A specialized staff of customer success managers is allocated to help pet parents use the PawCare platform.

Integration with Website

PawCare further enhances user experience by offering a booking interface that can be seamlessly integrated directly onto providers' websites. It will allow pet care providers in Chicago to streamline the booking process for their clients without them ever leaving their website.

Pet Grooming with PawCare

The Chicago launch marks a significant milestone for PawCare as it continues to expand its footprint and bring its unique pet care solution to more communities.
