Set in a breathtaking mountain town, this electrifying sci-fi narrative introduces readers to four audacious teenagers whose lives take an extraordinary turn when they uncover an ancient cave site housing remnants of alien technology, including a time machine.

Newton Peak School, Tina shares her secrets

Follow the exhilarating journey of Rennie, Hopi, Tina, and Mack—inspired by their competitive high school science teacher—as they navigate through periods, encountering thrilling adventures and unforeseen challenges. As they delve deeper into the secrets of the mountain cave, they find themselves thrust into a futuristic showdown against the enigmatic Green Menace and his cunning apprentice, Poison Ivy. The story culminates in a gripping climax that will leave readers breathless, and eager for more.

\$100.00 Sweepstakes. The 100th person to quote 'Rennie's Rally Song' from the book will win a cash prize, award on December 15th. Enter at website.

Richard Hedrick Jr., a multifaceted author with a background as a sci-fi writer, martial arts master, and U.S. Army veteran, infuses his gripping narrative with authenticity and a boundless imagination. His passion for science fiction, honed at a young age, drives him to create intricate worlds, compelling characters, and mind-bending technologies.

"Parents in the waiting room at our Children's Martial Arts Classes would read novels. Delivering a novel was a natural step after producing Martial Arts Guidebooks. Tuff's heroes are more activist. The time travel is just coincidental, with inspiration from Star Wars and Harry Potter," says Hedrick Jr., drawing inspiration from iconic sources and weaving them into his unique action-packed futuristic novels.

Hedrick Jr.'s military experiences lend authenticity and grit to his writing, offering readers a captivating blend of real-world challenges and imaginative storytelling. His expertise in martial arts enriches combat scenes and imbues narratives with sci-fi adventure themes of inner strength, self-discovery, and resilience.

With "TUFF: Rennie, Hopi, Tina, Mack," Richard Hedrick Jr. solidifies his place as a masterful storyteller, captivating audiences with a gripping tale that transcends time and space. Prepare to join the adventure and mark your calendars for the launch of this electrifying sci-fi masterpiece.
