

# Voice Search Registration and Local SEO: Key Strategies for Small Business Visibility

*Explore Simply Be Found's innovative strategies in Voice Search Registration and Local SEO, empowering small businesses to stand out online.*

WINDSOR, COLORADO, UNITED STATES, December 4, 2023

/EINPresswire.com/ -- In the charming town of Windsor, Colorado a digital marketing revolution is underway, led by a company that's redefining success for small businesses around the globe. [Simply Be Found](#), co-founded by the visionary duo of Dean Koehler and Robert Downey, is not just a local success story; it's a global phenomenon that's empowering small businesses with tools and strategies once thought to be out of their reach.

## The Visionaries Behind the Revolution

With a combined 48 years of small business ownership and over 60 years in marketing, Koehler and Downey bring unmatched expertise to the table. Robert Downey has been at the forefront of digital marketing since 1995, witnessing firsthand the industry's evolution. Their journey is marked by a singular goal: to simplify digital marketing for small businesses. Today, Simply Be Found has aided over 5,000 businesses worldwide, making it a global force.

## A Game-Changing Approach

In a bold move, Simply Be Found offers free tools and a no-contract policy, breaking the mold of traditional marketing services. This approach has not only demystified digital marketing for small businesses but also provided them with the flexibility to explore and grow without the usual constraints.

## Client Success Stories

Clark, a local remodeler, shares his journey, "Since partnering with Simply Be Found, our online ranking has skyrocketed by 50%. They've helped us tap into markets we never knew existed."

Similarly, Stephen, who owns a home remodeling business, saw his company soar to new heights on Google Maps and Yellow Pages within a short span, thanks to Simply Be Found's focused approach.

#### Simplifying the Complex

Simply Be Found's platform is designed to be user-friendly, offering robust tools for managing digital marketing across over 300 networks. This simplification is key to their success, making digital marketing accessible to businesses

of all sizes and technological savviness.

#### Focusing on Results, Not Reports

While the industry often leans heavily on complex reports and data analysis, Simply Be Found prioritizes what truly matters for small businesses: improving rankings and boosting sales. Their results-oriented approach is a breath of fresh air for businesses overwhelmed by data but seeking tangible outcomes.

#### Educating and Protecting Clients

In an era where scams are rampant, Simply Be Found takes a stand to educate and protect its clients. With resources like their [Voice Search Registration](https://SimplyBeFound.com/Voice-Search-Registration/) service (<https://SimplyBeFound.com/Voice-Search-Registration/>) and guidance on avoiding [Voice Search Registration Scams](https://SimplyBeFound.com/Beware-Of-Voice-Search-Registration-Scams/) (<https://SimplyBeFound.com/Beware-Of-Voice-Search-Registration-Scams/>), they are equipping businesses with the knowledge to navigate the digital world safely.

#### Voice Search Registration and Local SEO: The New Frontier

The importance of voice search and Local SEO cannot be overstated. With voice search queries being typically three times longer than text queries (Search Engine Land) and 85% of consumers using Google Maps to find local businesses (Think with Google), Simply Be Found's focus on these areas is proving to be a game-changer.

Simply Be Found is more than a company; it's a movement. It represents a shift towards empowering small businesses in the digital age, not just in Windsor or the United States, but globally. As they continue to grow and help businesses navigate the digital landscape, their story remains a beacon of innovation and success.
