minimal wait times for children, aged newborn to 21 years of age. A ribbon cutting ceremony is scheduled for Monday, January 22, 2024 at 3pm with Piscataway Mayor, Brian Wahler.

This newly constructed pediatric urgent care center is located at 1060 Stelton Road in Piscataway, originally the Friendly's Restaurant property, next to TD Bank. “As a mom of four children and COO of Kinder, this has been an exciting journey filled with the purpose to bring Kinder Pediatric Urgent Care to as many communities as we can. Piscataway is a family oriented growing community that will benefit from pediatric outpatient services. For moderate to mild sickness, avoiding the ER is not only better for the child but better for expenses and the family's time management. Parents can be in and out in under an hour for a possible fracture. In today's busy world, urgent care can make the difference between a happy fun day and a scary bad day. ” -Jillian Stratton, Chief Operating Officer

The pediatric urgent care center will be open to patients Monday through Saturday from 11am -

10pm and Sundays 10am - 10pm with no appointments necessary. We look forward to hiring local so please express interest to hr@kinderpeds.com. Please visit our website at www.kinderpeds.com to learn more about our services offered and locations in New Jersey.
