Heyl Family Practice grows its in-office provider team by two with the addition of a physician and CRNP as they head into the new year.

PITTSBURGH, PA, UNITED STATES, December 4, 2023

/EINPresswire.com/ -- [Heyl Family Practice](#), a longstanding primary care facility in the north hills of Pittsburgh, is excited to announce the addition of two esteemed healthcare professionals to its team as part of the practice's commitment to providing high-quality and patient-focused care.

As the patient census at Heyl Family Practice has experienced exponential growth over the past two years, the practice recognized the need to expand its staff to better serve the community. To fill the void left by the retirement of Nancy Schoman, a dedicated 25-year veteran of the practice, Heyl Family Practice has welcomed Elizabeth Booth, CRNP, to its team. Ms. Booth brings with her a wealth of experience, boasting nearly a decade of intensive care unit (ICU) expertise. Known for her compassion and knowledge, Ms. Booth is poised to contribute significantly to the continued success of the practice.

Furthermore, Heyl Family Practice is pleased to announce that Brian Nolen, M.D., will be joining the team in January. Dr. Nolen comes to the practice with five years of experience as a hospitalist at Heritage Valley. His wealth of knowledge and dedication to patient care align seamlessly with the values upheld by the current team of providers at the practice.

The physicians at Heyl Family Practice express their excitement about these valuable additions to the team. Dr. Louis Heyl, Dr. Donald Shoenthal, Dr. Scott Heyl, and Dr. Matthew Macken believe
