NAPA, CALIFORNIA, USA, December 5, 2023 /EINPresswire.com/ -- Impakt IQ, A Leading Provider Of Investor-Grade [ESG](#) Intelligence Solutions, And ClimatePartner, A Leading Partner To Support Companies With Taking [Climate](#) Action, Proudly Announce Their Collaborative Partnership

Impakt IQ and ClimatePartner are pleased to announce their collaborative partnership. Impakt IQ specializes in providing investor-grade ESG intelligence, compliance, and impact assessments, while ClimatePartner offers comprehensive end-to-end climate solutions for companies.

Understanding ESG and Climate issues are interconnected, our goal through this partnership is to offer companies effective and complimentary tools and guidance to help them future-proof their businesses by reducing ESG and climate-related risks and leveraging value-creation opportunities while aligning with the growing regulatory requirements.

Impakt IQ supports its clients in investor-grade ESG assessments, scoring, compliance and strategies. ClimatePartner provides detailed calculations of a company's carbon footprint, supports clients in setting reduction targets and financing climate projects.

About ClimatePartner: ClimatePartner supports companies in climate action: With the solution approach of software and consulting, ClimatePartner supports its customers in making an active contribution to climate action and firmly anchoring it in their strategy. For example, companies have carbon footprints calculated for themselves or their products, define targets for emission reductions, implement reductions, finance climate projects and are supported by ClimatePartner
