

# The Rosendin Foundation Donates \$15,000 to Save the Family

MESA, ARIZONA, USA, December 4, 2023 /EINPresswire.com/ -- [The Rosendin Foundation](#), a 501(c)(3) non-profit organization founded to make a positive impact on communities through financial grants and volunteer work, proudly supports [Save the Family](#) with a \$15,000 grant. This donation will help the Mesa nonprofit carry out its mission to provide families with critical programs and services to address poverty, overcome homelessness, and achieve self-sufficiency.

“We are overwhelmed by The Rosendin Foundation's generosity, and we are grateful for the support it has provided us as we carry out our longstanding, 34-year mission. Their dedication to us as we seek to address and end generational poverty, which includes helping children reach their full potential, speaks to the Foundation's dedication to our community,” said Robyn Julien, CEO of Save the Family. “We are thankful to Rosendin's volunteers and donors who have boosted our efforts to end family homelessness.”

“

As longstanding members of the community, we appreciate the dedication of the Save the Family team and their volunteers who are committed to ending family homelessness in the greater East Valley.”

#### About The Rosendin Foundation:

The Rosendin Foundation was formed in 2020 as a 501 (c)(3) charitable corporation to act as the charitable arm of Rosendin Holdings for which all charitable giving would be centralized or guided. This includes Rosendin Electric, Inc. (Rosendin) and Modular Power Solutions (MPS). Although the corporation is based in San Jose, California, the Foundation provides funding to non-profit organizations across the United States. For more information visit [www.therosendinfoundation.org](http://www.therosendinfoundation.org).

#### About Rosendin:

Rosendin, headquartered in San Jose, is employee-owned and one of the largest electrical contractors in the United States, employing over 7,000 people with an average revenue of \$2.9 billion. Established in 1919, Rosendin remains proud of our more than 100 years of building quality electrical and communications installations and value for our clients but, most importantly, for building people within our company and our communities. Our customers lead some of the most complex construction projects in history and rely on us for our knowledge, ability to scale, and dedication to quality. At Rosendin, we work to ensure that everyone has the opportunity to reach their full potential by building a culture that is diverse, safe, welcoming and

inclusive. For more information, visit [www.rosendin.com](http://www.rosendin.com).

#### About Modular Power Solutions:

Modular Power Solutions (MPS) was founded in 2011 as a wholly owned subsidiary of Rosendin Holdings, Inc., one of the largest privately owned electrical contractors in the United States. MPS was formed through the leadership of the Rosendin Mission Critical group, serving as experts in large scale data center projects worldwide. MPS manufactures large-scale, complex, fully integrated systems, from standard skid-based solutions (raised access and low profile) for interior building deployment to fully weatherproof environmental enclosures for exterior standalone applications. Since then, MPS has become the leading manufacturer in modular systems and the go-to for offsite solutions. We do this by hiring the best people, committing to quality work, and prioritizing the customer experience.
