Driving Force: Surge in New Business Establishments

The market's growth is significantly propelled by the increasing establishment of new businesses globally. Business support services play a pivotal role in assisting newly founded businesses by providing a spectrum of

essential services. Notably, data from the Bureau of the Census reveals a substantial surge in new business applications in the US, reaching 5.4 million in 2021, marking a remarkable 22.7% increase from the previous year. This surge in business establishments is expected to drive the business support services market in the coming years.

Key Players Shaping the Market Landscape

Major companies influencing the business support services market include Apple, Teleperformance SE, Equifax Inc., S&P Global Inc., Moodys Corporation, TransUnion, PRA Group, Inc., Intrum AB, WNS (Holdings) Limited, and Transcom WorldWide AB. These industry leaders play a crucial role in steering market trends and innovations.
