

National Express Highlights Team Members' Generous Holiday Community Outreach Efforts for International Volunteer Day

LISLE, IL, USA, December 5, 2023 /EINPresswire.com/ -- In celebration of International Volunteer Day, [National Express LLC \(NELLC\)](#) is proud to highlight the recent community outreach efforts our team members have participated in for the holiday season.

Community involvement is a Company value that National Express and its team members highly pride themselves on. These efforts are highlighted through its company-wide Partners Beyond the Bus (PBTB) community outreach program, which was created to help raise greater awareness of and recognize the volunteer efforts of our teams and strengthen ties with our customers and community partners. Year to date, 70% of NELLC's customer service center (CSC) locations have participated in one or more community outreach events. Most recently, our CSCs have focused their community outreach efforts on giving back to individuals and families in need this holiday season.

A few highlights of these efforts include:
