

DRAPP Telehealth App announces the joining of Renowned Public Figure & Entrepreneur Wissam Breidy to its advisory board

Responding to the needs for Primary Care for patients across the globe, giving them access to more than 2.000 doctors in more than 100 specialties.

BEIRUT, AIN EL MRAISSEH, LEBANON, December 11, 2023 /

EINPresswire.com/ -- DRAPP, the innovative telehealth application known for its healthcare solutions, proudly declares an exciting alliance with [Wissam Breidy](#), a distinguished public figure and entrepreneur in the MENA Region.

DRAPP endorses Wissam Breidy and Brand Ambassador

DRAPP provides convenient and reliable telemedicine services to individuals, ensuring easy access to healthcare professionals for medical advice regardless of geographical constraints, empowering patients to take control over their health.

Wissam Breidy's extensive experience in public engagement aligns perfectly with DRAPP's mission to make healthcare more accessible to public and efficient.

Wissam is a serial entrepreneur, with a multitude of investments in communication & media with a diverse portfolio, franchise models and other apps.

Through this partnership, both parties intend to build the best strategies to drive the growth of DRAPP in the MENA Region

Joining forces with Wissam Breidy, whose dedication to community welfare and entrepreneurial expertise will amplify our efforts to promote accessible healthcare," said Hady Bsar, Founder & CEO of DRAPP. "This partnership symbolizes our shared commitment to making quality healthcare services more available to individuals across the region.

Expressing his enthusiasm for the collaboration, Wissam Breidy shared his sees this partnership with DRAPP as a tool to empower individuals with the knowledge and means needed to prioritize their health and well-being."

This strategic alliance between DRAPP and Wissam Breidy marks a significant step towards bridging gaps in healthcare accessibility, especially among expats and frequent travelers, fostering a culture of proactive wellness, impacting positively the lives of people globally.
